Canada-U.S. - balanced trade

- **Total bilateral automotive trade \$112.6 billion in 2016**
 - largest export industry, with over one-fifth of total trade between Canada and the U.S.
 - 55 percent flowing from Canada to the U.S. (\$62.1 billion) and 45 percent coming from the U.S. to Canada (\$50.5 billion).

- Canadian-owned automotive part suppliers employ over 86,000 people in 270 facilities across the U.S. and Mexico,
 - Michigan alone accounts for 50 plants and over 15,000 employees.
