

may mobility

Bringing communities closer together
with self-driving transportation

We're just right for you.
From our background, we know:

Edwin Olson, PhD, **CEO**

AV can solve
transportation
problems today

Alisyn Malek, MBA, **COO**

Providing tools that
customers need

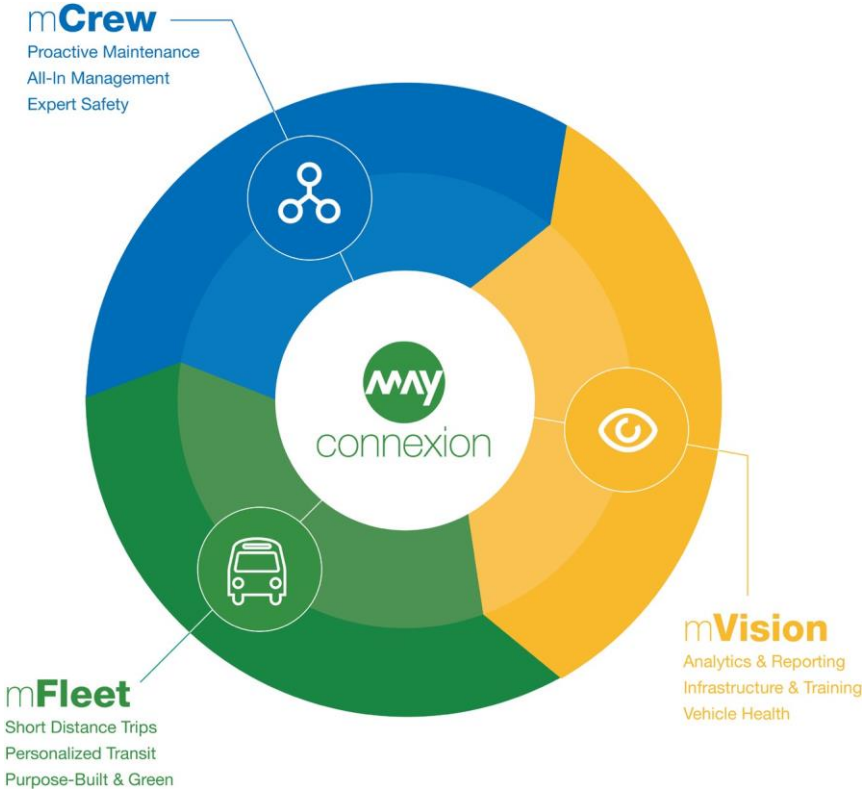

Steve Vozar, PhD, **CTO**

While ensuring
safety and
reliability

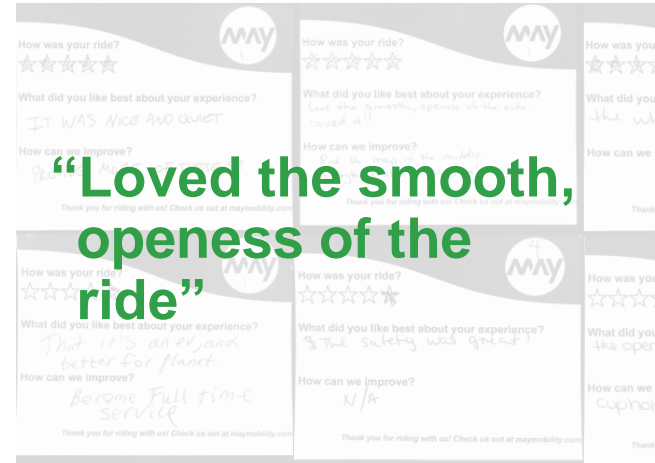

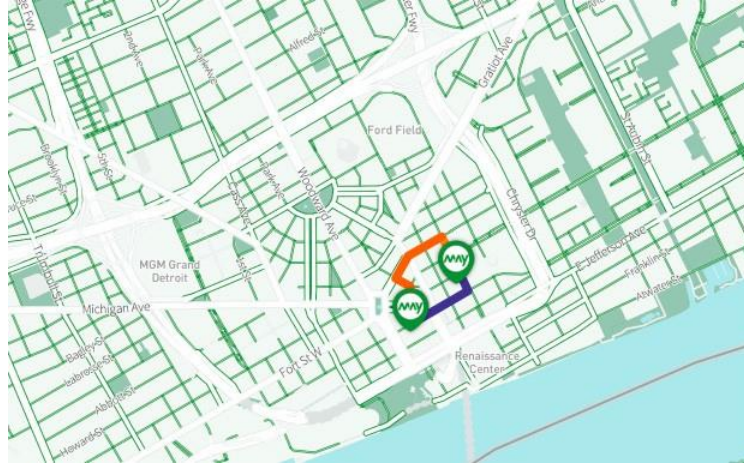

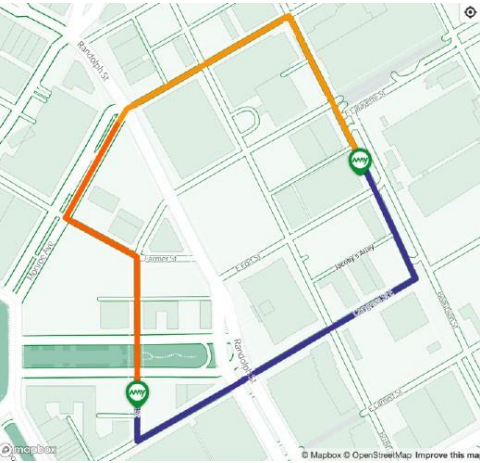

May Mobility's
Approach

We provide a turn-key, self-driving transit service

It's Working

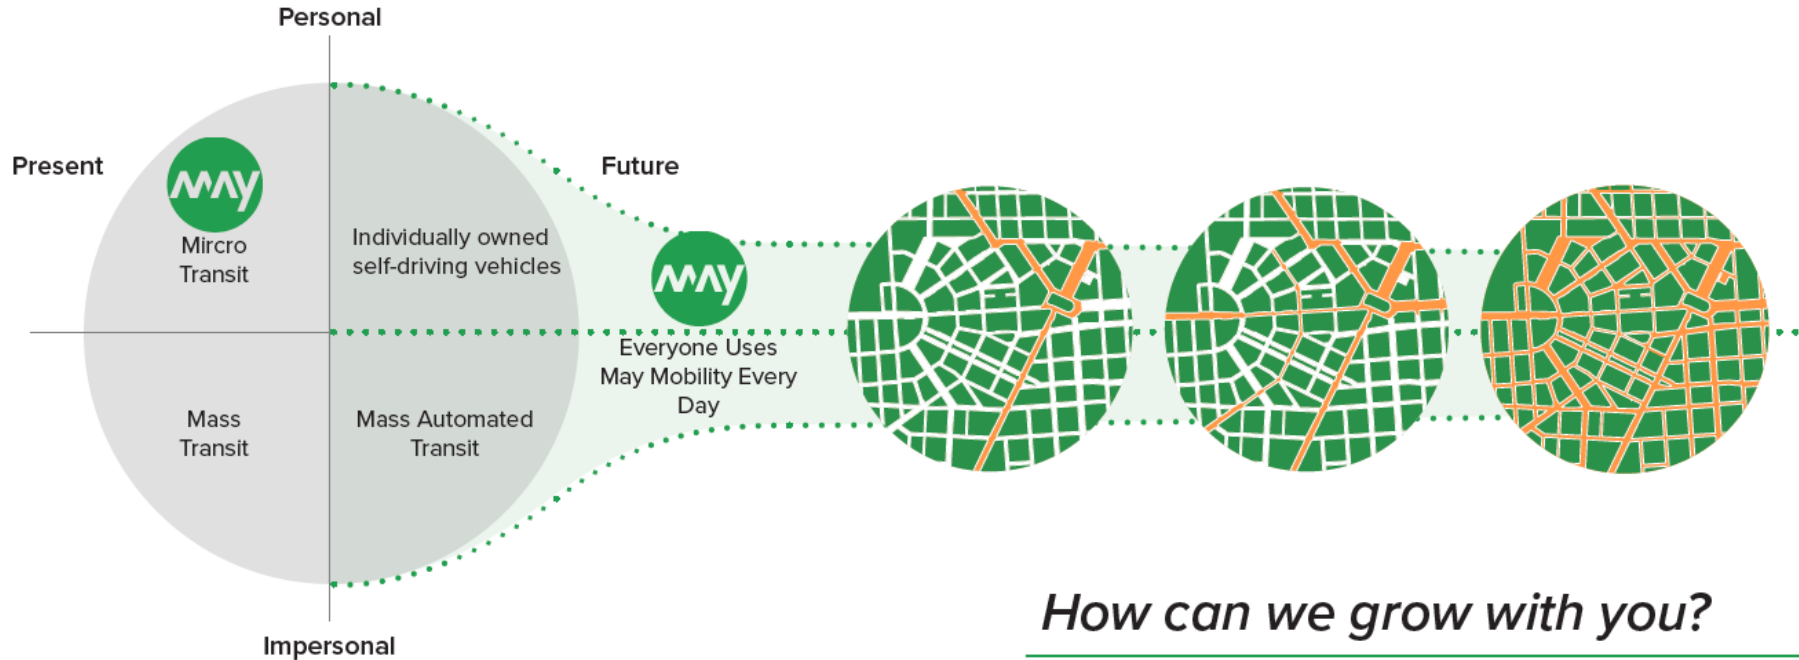

We are already having success...
Field testing strategy and positive
results

Future Vision

Where we're growing

How we'll get there
